(part 1)

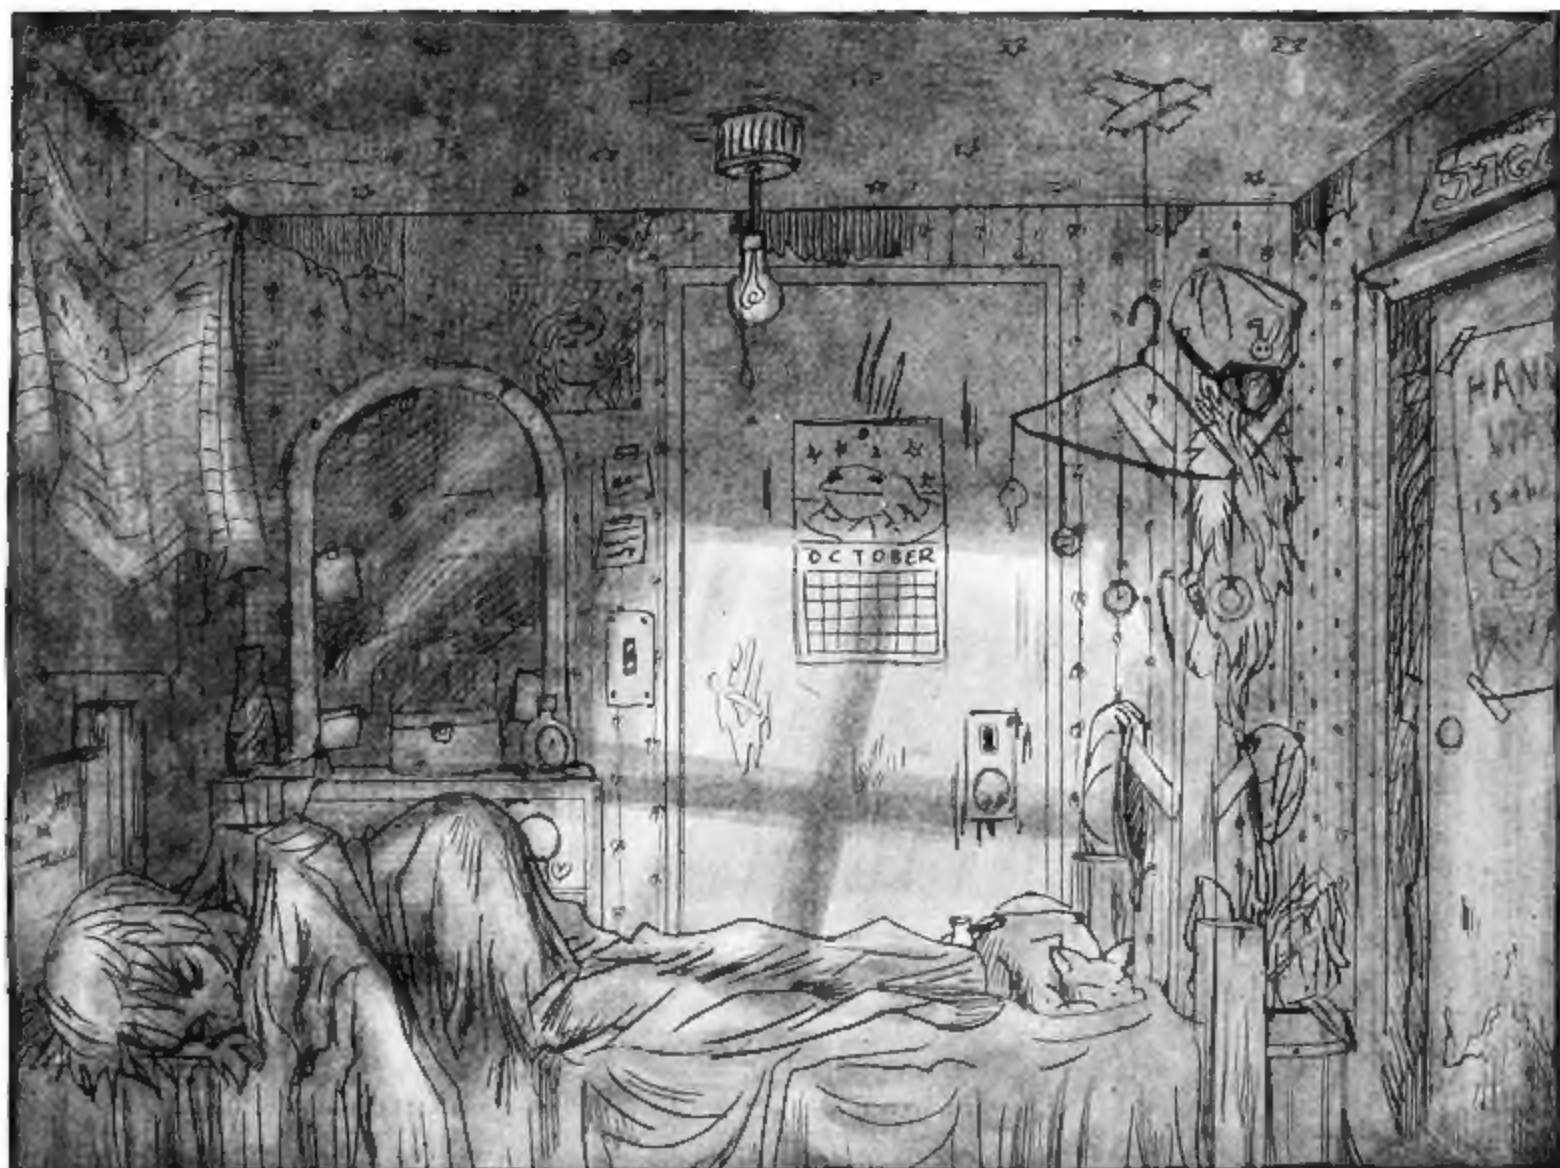

ODD NAUSEAM IS INTENDED FOR THE

IT CONTAINS CARTOONISH VIOLENCE,
GROWN-UP WORDS, AND SOME JOKES, REFERENCES
AND STORYLINES THAT ONLY TEENAGERS AND
ADULTS WILL APPRECIATE.

ITS MOVIE RATING WOULD BE "PG-13"
FOR CONTENT, BUT "R" FOR LANGUAGE.

WELCOME TO THE
INTERNATIONAL
HOUSE OF FAIL!

Oh, no.

This isn't suspicious at ALL.

But... um...
But it says "Diner"
on it!

Yeah. And I have
a tattoo on my
ass that proves I'm
"JUICY".

Oh, come on!
We only just got here!

Maybe we should go
inside and actually check
it out before you start
throwin' your Negative
Nancy everywhere.

It's not negative...
It's being SMART.

Which one of us
is it again who's
survived out here
for 60 years?

But it's a
breakfast joint!
Old folks like
you love them!

Besides, I need to eat.
Unlike you...

Let's just go
and look already!

Still don't
like it.

Hey, hey guys,
what is that? That
rabbit thing..

...y know, with
the ears.

You kidding me,
man? You never seen
a jackalope before?

What's this
stuff in here?

Uh, well it's a
salt shaker.

They mostly live out
in the desert -- definitely
don't see very many
in the city..

Just looks like a
big walking rabbit to
me. You see stuff like
that out by the Nevada
reactors all the time.

Nah, man, see
the feather tail?

And normally they
have real big antlers
but I guess this one is
just a kid.

I wonder what
she's even doing
out here.

And with a
zombie
no less.

wait do they
make the
milkshakes
in a
"milk
shaker"?

G'morning ladies,
my name is Cindy
and I'll be your
server today!

I know I heard
something

It sounded too
big to be a rat or
whatever.

That bigfoot is pretty busy working this place...

But he's so tall, he had to have
seen that thing
run past our table.

There's no way he
didn't notice it.

But...

He didn't react to
it at all.

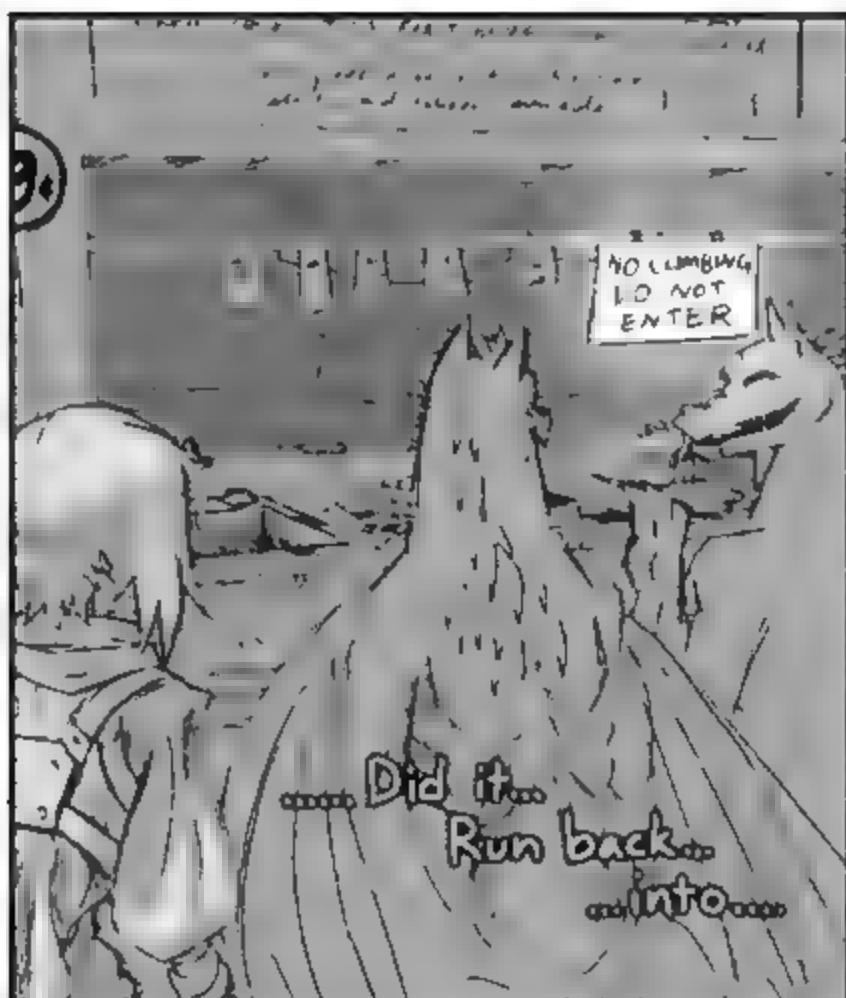

...where did that
thing go?

Not behind
the bar...

Wasn't under
a table...

NO CLIMBING
DO NOT
ENTER

Did it...
Run back...
into...

...and...

When you get a
chance, could I get
three more
milkshakes?

h, um...

Yes, of course!
I just need a sec,
okay?

EMPLOYEES
ONLY
DO NOT ENTER

CREAK

I can now say I have
received field support
from a beverage

— Just because I break to
take a crap don't give you
an excuse to get LAZY!!!

There's only one of me out
there. Cut me a break.

Well, I can't read
your goddam
handwriting either!!

What do you think
I am, a mind-reader?!

I was in a hurry.

Your problem,
not mine.

And don't let me see
food sit in the window
for ten minutes again!

That was just — ..
...I had customers come
in. I had to ch-change.

Oh don't even get
me **STARTED** on your
costume crap!

...The customers
expect Cindy...

It's **YOUR**
fault th—

Oh, get **OVER** it already.

You were the one who —

OH, excuse me, you're
still here?!

GET BACK OUT THERE!
You're costing us money!

You're the one who called me
back here just to blame
me for everything!

**AND HERE YOU
ARE WASTING MY
TIME!!**

H-Hey,
I—

**DO I NEED TO REMIND
YOU WHAT HAPPENS TO
SNAPPY EMPLOYEES?**

Hey, man, c calm down —

.....Hggk....

GET UP!
GET UP AND
GET BACK TO
WORK!!!

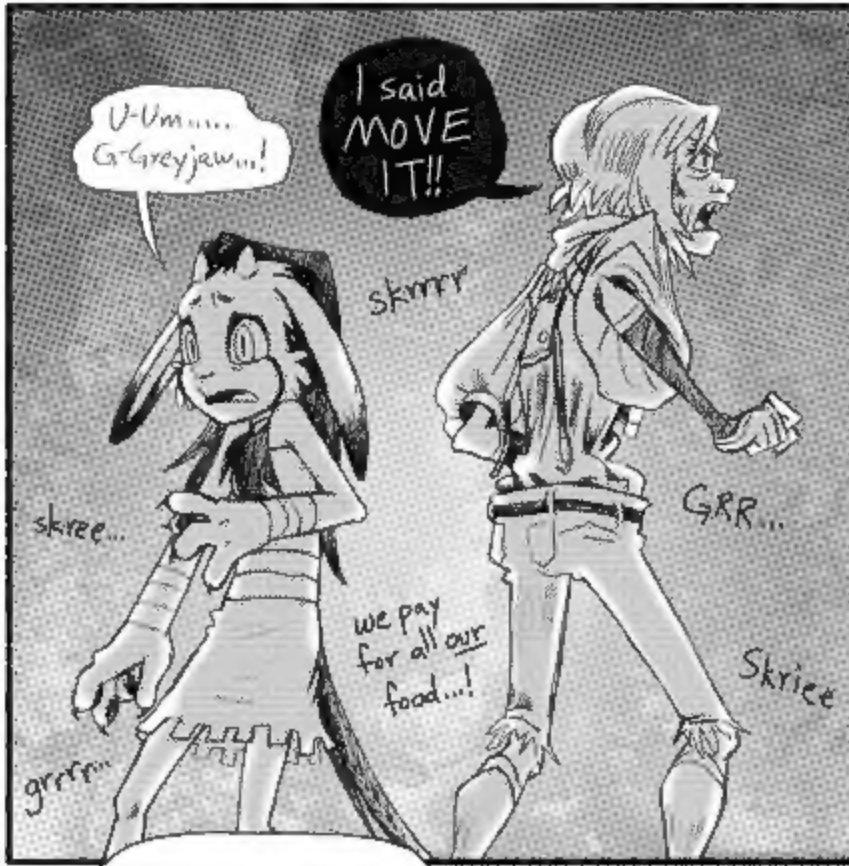

You shouldn't have done that!

I would have gone easy on you...

...But the boss isn't gonna be happy!!
